

# Forum Instructions

## Austin-Healey Association of Southern California

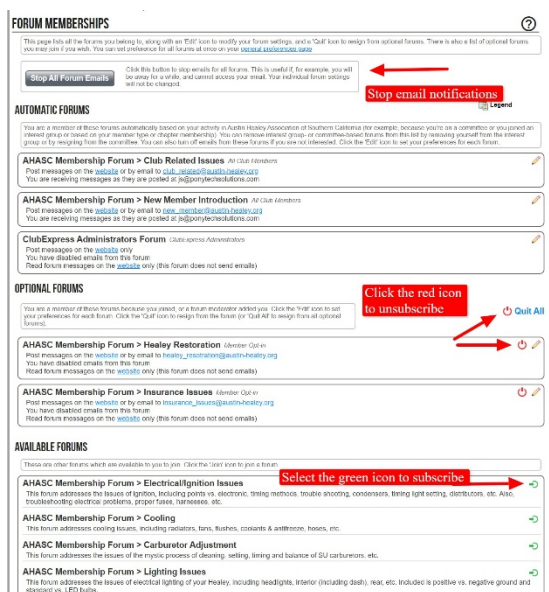

AHASC is introducing its own members only forum for all things Healey.

To begin, login to the website and select “Profile” to navigate to your forum memberships and setup.

From here, select “Forum Memberships” to review available forums and those forums for which you hold membership.

Note that you can automatically cease or continue email notifications – this is handy if you are going on vacation and want to curtail Forum notices.

Select the red icon to remove yourself from a forum.

Select the green icon to subscribe to a forum.

## Austin-Healey Association of Southern California

Back at your member profile, notice that you can set up your forum preferences and thread subscriptions.

In Forum Preferences, you can enter the email address you want to use for Forum notices.

Also, you can determine how you receive notification for your forum correspondence. Don't forget to check the box that will carry these preferences throughout your forum memberships!

To visit your forums, navigate to the main menu “Forums” option.

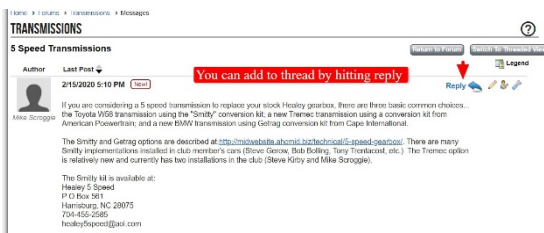

Here you can view the different forums and participate in those forums for which you are a member (you can jump back to your profile at any time to join a new one!).

Click on the forum title to access the threads of the forum.

You can manage your memberships, start a new thread or participate in an existing thread.

Click on the thread title to travel to the details.

You can add to a thread by clicking the “reply icon”.
