## WELCOME TO BIG BEAR AND CONCLAVE 2021

On behalf of the Austin Healey Association of Southern California, we want to welcome you to Big Bear and Conclave 2021! This event has been eighteen months in the planning and fraught with a little more than the usual anxiety. We want to personally thank our thirty-one committees and dozens of volunteers who worked tirelessly despite the uncertainty that hung over their heads. Your work has paid off!

We also want to thank those of you from the San Diego and Golden Gate Austin Healey Clubs for your support of Conclave, as well as the many, many AHCA members from twenty-five States and Canada who “hung in there” and are attending. We promise you a good show.

We would like to take a moment to point out two very important elements of this event.

-First, your **Registration Number**. This is printed on your name badge, and if you brought a car, on your Rondel. This number is the key to identifying you and your car for everything from the Car Show to the Silent Auction. Please always wear your name badge and put the Rondel on your car as shown in the instructions.

-Second, your **Conclave Magazine**. We have gone to great lengths to insure that virtually everything you need to know about Conclave is in it. From a Summary Schedule, to Detailed Daily Events, to Maps, Contacts and Optional Event information. Please read it carefully and always keep it with you.

Thank you again for attending Conclave and we look forward to meeting all of you.

CLUB OF AMERICA, INC.

Welcome to Conclave 2021 at Big Bear Lake, CA. This year marks our 45<sup>th</sup> gathering, with our first Conclave being held in 1976 in Bloomington, IN. Due to the pandemic, last year was the only time we missed hosting an annual Conclave. Our Austin-Healey events have taken us to some of the most historic and scenic places in North America, and we are thrilled to be back in The State of California. The Austin-Healey Association of Southern California has worked tirelessly putting together a safe and fun-filled week of being in Healey paradise.

On behalf of all the members of the AHCA and our guests, I'd like to extend a special "Thank You" to Steve Kirby and his entire Conclave Committee for making this event a reality! They also had tremendous support from The San Diego and Golden Gate Clubs as well. Thank you all!

Without the continual support of our many sponsors we would not be able to put on events like this, so please continue to thank these businesses by supporting them throughout the year.

Our beloved Healeys take us to these events, but seeing old friends and making new ones is what it is all about. Please enjoy your time here at Big Bear, the scenery, the cars and most importantly, the people.

Enjoy the week.

## CITY OF BIG BEAR LAKE *California*

Welcome to Big Bear Lake!

On behalf of the City of Big Bear Lake, its businesses, and its citizens, I am pleased to be able to welcome the Austin Healey Conclave 2021 to our area. For those who are newcomers, we truly hope that you will have a memorable time and will return again and again. To those of you who have been here before, Welcome Back!

I know your hosts; the Austin Healey Association of Southern California have worked hard for the last year and a half to make your visit an enjoyable one. Our Visitor's Bureau and City Government staff have also worked hard to accommodate your many events. Your Car Show in the center of town will certainly be a highlight of the week and was made possible by the cooperation of the area merchants, so please, show them some love.

Big Bear has so much to offer, I hope you will take time to see it all.

Again, thank you for coming to Big Bear and enjoy your stay.

Sincerely,

David Caretto

## Conclave Check In, Registration and Welcome Cocktail Reception

### Welcome to Big Bear!

We've been anxiously awaiting your arrival. Now that you are here, we hope you have a great time and enjoy our beautiful mountain scenery and roads as well as all the events we have planned.

Firstly, a few words of orientation. Many of the events and activities take place on the second level of the hotel, where you will find some open spaces and several meeting rooms. We are referring to this area in total as **the Social Center**. If you are reading this, you have already been there to register. This area is always open to all attendees. We hope you will find it a nice place to meet with your friends and "socialize".

The Social Center is the home of the **Silent Auction, Photo Contest Display and Arts and Crafts Contest Display**. These will be open daily. Check the Schedule-at-a-

Glance on the preceding pages for opening hours. A couple of cocktail parties will also be held here. Finally, there will be **Continental Breakfast** items on sale there each morning on a cash basis. The hotel restaurant is not overly large and will likely get crowded at breakfast time, so you will find an alternative here. On that subject, there are also a couple of off-site breakfast recommendations on page 20.

Also, please take note in the program of pages 8 and 9, where you will find the phone numbers of **Conclave Organizers** and a list of **Key Services** in and around Big Bear. We suggest you always keep your Event Program with you and review it daily to stay updated on the day's events.

Tonight's **Welcome Reception**, sponsored by Austin Healey Spares, will officially kick off Conclave 2021 in the Ballroom. Be there promptly

at 5 p.m. and enjoy the appetizers and no host bar. After some announcements and information about tomorrow's program, we have a very special **Guest Speaker**, Mr. Karel van Gelder, a Director of the International Austin Healey Museum in the Netherlands. Mr. van Gelder will give us an audio/visual overview of the Museum, a place that should be on every Healeyphiles Bucket List.

After the party ends, you are on your own for dinner. See page 20 for a list of recommended restaurants within walking distance of the hotel. Please be sure to call ahead if you want to visit a specific establishment, as business hours may have changed since the Covid disruptions.

## Poker Run, Concours Judging, Tech Session, Cocktails, Santa Maria BBQ, and a British Pub Night

*Wow, do we have a packed day for you! Fasten your seat belts.*

We will start of bright and early with the **Poker Run Rally**. See page 22 for the details. This is a great drive around the Big Bear Lake, up into the mountains, and ending at **Lake Arrowhead Village** where you will find a good selection of lunch options, shopping, and nice views of this vacation resort area. The 25-mile trip back to Big Bear is on the "**Rim of the World Highway**". You will see how it got its name (don't worry, it's a great road).

We have a few cars that will be **Concours Judged** today, most all recent high-level restorations. Thanks to the Concours Registry for providing the Judges. You can see them at work under the EZ Ups right in front of the hotel most all day.

Upon your return from Arrowhead,

you will have time to cruise around the Village and even take advantage of a "**Drive Through Tech Session**" hosted by Steve Day. Something not quite feel right with your Healey? Just drive through, under the hotel Portico, and get a 2nd opinion from Steve. Even if you don't need any advice, it should be fun to watch.

Each night of Conclave has a different theme, and tonight's is **California Cowboy**. Did you bring your boots and hat? Come on down to the

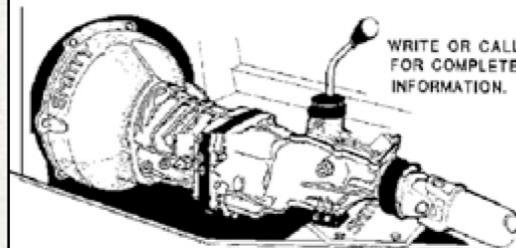

poolside terrace and enjoy some music and refreshments before heading to the Banquet Room to feast on **Santa Maria BBQ** (if you signed up). Drinks at 5:00 p.m. and dinner at 6:30 p.m.

Haven't had enough? Neither have we! Thanks to the good folks at Austin Healey Spares, all the way from the UK, at 9 p.m. it's **British Pub Night at Stillwell's**. We'll have some quintessential English bar snacks, maybe some games and surely some English beer. *What a Day!*

## Scenic Drive, TSD Rally, Rocker Cover Racing, Cocktails, and a Lake Cruise

Today is our “long drive”. You will find all the details on page 23, but to summarize, whether you are on the **Scenic Drive or the TSD Rally**, the route is the same. We’ll leave Big Bear on scenic Highway 38, eventually reaching Onyx Summit at an elevation of 8,843 feet, one of the highest passes in Southern California. From there it’s all downhill, WAY downhill. We don’t get to sea level but at its lowest point, the elevation in **Joshua Tree National Park** is only 934 feet!

The landscape at our destination couldn’t be more different from Big Bear, but starkly beautiful in its own right. The unique Joshua Trees, sometimes appearing in clusters, and sometimes starkly solitary, are worth the drive.

After touring Skull Rock

and the Oasis Visitor’s Center, it’s back into **Twentynine Palms and Yucca Valley** to find a place

for lunch, followed by a bit shorter drive up the “back way” into Big Bear. In all, the route today is a bit over 200 miles and will take around five hours. For those who don’t want to commit to that distance, we have an assortment of shorter drives to choose from.

If you are staying around the hotel or have some free time, don’t forget that the **Silent Auction** is open from 5:30 p.m. Get in there and place your bids. Also, please stop into the Boulder Bay Room (Social Center) and vote for your favorite photographs and arts and crafts entries. You will find your ballots in your name tag holder. See details of these opportunities on page 19.

At 4 p.m. you can watch the practice and preliminary rounds of **Rocker Cover Racing**.

The “sport” was imported into the US by our very own Ed Neumeyer after he saw his first action in Australia. Rocker Cover Racers aren’t all about speed either, there is a “presentation” component. If you have not seen these vehicles before, you might be surprised at the creativity. And you get to vote for your favorite. See you in the Portico.

At 5:30 p.m. we will reconvene, this time in the Social Center for **cocktails ala “the 50’s and 60’s”**. Poodle skirt? Brylcreme? Fonzie jacket? That is of course unless you are on one of the optional **Paddlewheel Cruises** tonight, the first leaving at 5:00 p.m. and the second at 7:00 p.m. See the details and directions to the Marina on page 24.

After dinner there will likely be some late evening socializing and perhaps live music on Stillwell’s patio.

## Car Show, Rocker Cover Racing, Cocktails, and a Lake Cruise

Time for the big **Car Show on Main Street**. Today we will “muster” at our assigned times to caravan to our pre-assigned parking spots on Pine Knot and Village Drive. Due to the narrow streets and tight spacing, it is imperative that you be at your car at the designated time and travel to the Show in groups of cars in the same class.

**PLEASE CHECK THE GROUP DEPARTURE TIMES ON THE POSTER IN THE LOBBY!**

Voting for **Best in Class and Best in Show** will take place between 10 a.m. and 2 p.m. Your color-coded ballots are in your name badge holder. Note that the ballot colors match the window placard colors for each class of car. Your vote for Best of Show can be for any car in any class. Please deposit your ballots in the ballot boxes located under the EZ Up canopy at the corner of

Pine Knot and Village Drive.

After taking care of your voting responsibilities, please enjoy downtown Big Bear Lake. We think you will find plenty of shopping and dining opportunities. A list of recommended restaurants can be found on Page 20 and a Downtown Map is on Page 5.

**NO DEPARTURES PRIOR TO 2 P.M. ALL CARS MUST DEPART OR BE MOVED TO A LEGAL PARKING PLACE BEFORE 3 P.M.**

After the Show remember to visit the **Silent Auction, Photo Contest and Arts and Crafts Contest rooms in the Social Center**. And later in the afternoon you can view the finals of **Rocker Cover Racing** under the Portico in front of the hotel beginning at 4:00 p.m.

If tonight is your **Paddlewheel Cruise night**, see the directions to the Marina on page 24 and be sure to allow at least 20 minutes to walk there to be sure you arrive on time. Boats leave promptly at 5:00 p.m. and 7:00 p.m.

Tonight's  
**Cocktail Party**

**Theme is “Wearable Art”**. What’s that? Our event chairperson defines it as “referring to individual pieces of clothing and jewelry assembled to create a wearable expressive art”. Hmm...that should be fun. 5:30 – 7:00 p.m. in the Social Center.

Dinner is on your own but stop by Stillwell’s on your way home for a libation and live music.

## Gymkhana, Funkhana, Ladies Event, Tech Session, and the Grand Finale!

### Another Big Day at Conclave!

If you are the competitive type, today is your day. Both the **Gymkhana** (requires pre-registration) and the **Funkhana** (no reservation required) will be held at the Big Bear Airport from 10 a.m. to 2 p.m. Gymkhana drivers will have been pre-assigned to a timed "flight", so

there is no need to hang out all day to get your runs in. See all the details of both events on page 24.

If you are not into the competitive thing, perhaps one of the **Optional Drives** will appeal to you. There are a number of options, all detailed and mapped out on pages 25-28. The drives are of various lengths, so there should be something for everyone.

The **Ladies** are invited to an afternoon of sipping wine, coffee or water with prize drawings during an entertaining social event from 2 - 4 p.m. in

the Bridgeview Room (Social Center). See page 20 for details.

This is your last chance to bid in the **Silent Auction** and to vote for your favorite photos and arts and crafts in the Social Center. Both events end at 4:00 p.m.

You can pick up silent auction items you won between 4-5 p.m. today or at tomorrow's breakfast.

## Silent Auction Set to be a Big One

Thanks to the hard work of our Sponsorship Chairman, Mike Scroggie, the **Silent Auction** is shaping up to be a great one. The auction will feature items in all price ranges. Headliner offers so far include a \$2,000 Gift Certificate towards the purchase of a 5-speed transmission upgrade (courtesy of The Driven Man), a set of brand new chrome wire wheels from British Wire Wheel (a \$1,400 value), a free pass to the VARA University Driving School (\$400) and an autographed copy of the coffee table book Healey-The Men and Machines (John Nikas).

Some of the more unusual items include a one-of-a-kind tool box with a Sprite rocker cover lid, a model of NOJ393 and a variety of NOS items including a 100 Grille, an Early AH Wings badge, 100 Brake Master Cylinder and much more (courtesy the Toy Shop). Moss Motors has donated a selection of attractive Healey items including a wood steering wheel, floor mats, shift knob and various “man cave” accessories. Lucas Oil has supplied three gift baskets, including a wide selection of their items.

The **Silent Auction** will be held in the **Metcalf Room** (upper level in the Social Center) and will be open for viewing and bidding each day. Check the Schedule-at-a-Glance on pages 10-11 for times. The Auction will close promptly at 4:00pm on Thursday. Pickup from 4:00-5:00 p.m.

Items can also be picked up at the Farewell Breakfast on Friday morning. Cash, checks or credit/debit cards accepted. Shipping can be arranged for bulky items.

As the Silent Auction is a key piece of the Conclave financial puzzle, your support is very important. Without Auction donations and revenue, registration fees would have to be much higher. Thanks to **Healey 5-Speed** for sponsoring the Auction.

## Photo Contest – Arts and Crafts Competition

Conclave will feature two events for creative Healey Hobbyists. The **Arts and Crafts Competition** will showcase Healey themed creations of all types....paintings, ceramics, textiles, you name it. The **Healey Photo Contest** will feature a display of physical photographs that reflect the Healey spirit.... could be racing, touring, or lifestyle oriented...bring your best shots. Both of these events will be “People’s Choice” judged and prizes will be awarded to the winners. Your ballots are inside your name badge holder.

Finally, an **Online Event Photo Contest** will honor the very best photos taken at the event (or on the road to the event). Your pictures can be uploaded at any time prior to the closing date. See details on page 18.

Arts and Crafts and Photo Contest entries will be on display throughout Conclave in the Social Center. Trophies will be awarded to the winners during the final night Banquet.

# GET READY FOR THE POKER RUN!

Conclave will kick off the first full day with an old-fashioned Poker Run. Cars will depart from the Hotel between 9am and 10am for a “Four Lakes Tour”. Along the way, you will collect five poker cards drawn at random at the checkpoints. At tonight’s cocktail party (5:00 – 6:30pm on the Pool Patio), we will draw the remaining three “shared” cards. Best Poker hands will win cash prizes (there is a \$5 per car ante for this event).

The drive, about two hours and 55 miles, will cover the north shore of Big Bear Lake, but will also pass by Baldwin Lake, Green Valley Lake and Lake Arrowhead.

The Run officially ends at Lake Arrowhead Village, a shopping and dining spot serving that vacation community. Likely you will find a nice lunch spot here, or at the nearby Lake Arrowhead Spa and Resort. If you care to see more of the lake, the Lake Arrowhead Queen runs from a dock near the Village.

**A Driver’s Meeting will be held at 8:45 a.m. under the Portico in front of the Hotel.**

*Please bring this booklet with you for the Driving Directions – No Handouts!*

## SCENIC DRIVE AND TSD RALLY INFO

On Tuesday we will enjoy our “long drive” featuring a visit to **Joshua Tree National Park**. Both the Scenic Drive and the TSD Rally will use the same route. TSD participants will be challenged to cover the route in the target time and distance, while Scenic Drivers will wander as they please. The route is a bit over 200 miles and will take about five hours to drive, not counting lunch and other stops.

### Rally Drivers

Meet under the hotel Portico at 8:30 a.m. for a briefing and to receive the route directions. No special equipment is needed to participate in the Rally, a stopwatch (or cell phone) and your odometer are all you need. Bring sunscreen and sunglasses! Pack some water. You should plan to depart shortly after the meeting, so you are out ahead of the Scenic Drivers.

### Scenic Drivers

Meet under the hotel Portico at 9:00 a.m. for a briefing and to receive the route directions. You can depart anytime you like thereafter. Bring sunscreen, sunglasses, and water.

### The Roads

You will be traveling two of California’s “Scenic Highways”, Hwy 38 down the hill and Hwy 18 up the hill. In between you will experience both High Desert and Low Desert environments and an elevation change of over 7,000 feet. All roads are well paved, and gas is readily available once off the mountain. Unfortunately, the Hwy 38 area was the scene of an extensive forest fire last year. While it will recover, its “Scenic Highway” designation may have to be suspended for a few years. It’s still a great driver’s road.

### Lunch

You might choose to have lunch before or after visiting the Park. A list of recommended local restaurants is included with the route directions. Additionally, there are dozens of fast food

and chain restaurants on the stretch of Hwy 62 between Yucca Valley and 29 Palms, about halfway through the drive.

### Joshua Tree National Park

You will be entering the Park via the **East Entrance** in 29 Palms at the **Oasis Visitor Center** (*not the West Entrance in the town of Joshua Tree which you will pass first*). At the Oasis Visitor Center, you will have the chance to see a real desert oasis (the Oasis of Mara), which has been a beacon of life for millennia. There is a good museum and gift shop at the Visitor Center as well.

*The park entrance fee is \$30 per car, collected at the Visitor Center. If you have a National Park Pass, entry is free. Be sure to pick up a Park Map and maybe a Guidebook.*

Once inside the Park you will drive through most of the varied ecosystems and see hundreds of Joshua Trees. A stop will be made at Skull Rock, the most photographed spot in the Park. Feel free to wander off the prescribed route and enjoy some of the Park’s many and varied attractions.

### Route Too Long for You?

You can cut about an hour off the drive by skipping the loop into Joshua Tree National Park (not to mention the \$30 entry fee if you don’t have a National Park Pass). Simply Drive to the Oasis Visitor’s Center, have a look around and head back the way you came, picking up the route directions again at Instruction 11.

For even shorter options, consider the Optional Drives shown on pages 25-28.

**Gymkhana Drivers:** Please check the “Flight Schedule” in your Registration Packet for the time of your scheduled runs. Please arrive one half hour before your scheduled run time to allow for tech inspection, etc.

Spectators are welcome at both events. Upon arrival at the Airport, look for the Conclave Banner on the far side of the parking lot and enter there. Please follow the parking attendants’ directions.
